### When is 10 Days of Prayer?

The event will run from the 9th to the 19th of September 2018 in the Reading Abbey ruins where pilgrims once gathered for hundreds of years. While the Abbey is restored we thought we'd celebrate by restoring the temple too. That's those who are called by His name of course!

We are excited to be having a joint strategy of prayer in the Abbey ruins every evening with simultaneous worship on some evenings at various locations around Reading. The venues will link up to feed back what is happening at each.
