Product support

If you're in a muddle setting it up or assembling it, our range of quick guides, videos, product manuals and manufacturer helplines may be just what you need. Find them at argos-support.co.uk

Changed your mind? Nevermind

You know you're in safe hands with Argos, our products have a 30 day money back guarantee. If you change your mind, just return it unused, in its original condition with your receipt to any Argos store within 30 days, we'll either exchange it or give you a full refund.

Returning a home delivered item (the big stuff)

For "home delivery only" products, the quickest way to arrange a return is by chatting to us online. Simply click [here](#) and we can arrange a free of charge exchange or collection (please don't try to carry a sofa into your local store).

Exemptions

Sorry, but there are a few items we can't accept returns on such as some jewellery items, large kitchen appliances and food products unless of course these are faulty, or otherwise don't conform to the contract. These are identified in the catalogue or at argos.co.uk. Naturally none of this affects your consumer rights, see below/our full terms and conditions for more details.
