DAVID DIXON. Tilehurst Free Church. 1987

A. I came as a visiting preacher to TFC one Sunday in the autumn of 1987. B. As I stood before the evening congregation, prior to speaking and with the praise and worship still proceeding, I suddenly saw a vision. C. Liquid fire was pouring down from heaven, rolling down through the night sky and settling on Tilehurst. D. It affected Tilehurst and then rolled on down to the centre of Reading. E. Liquid fire from heaven!! F. I sensed that it was now joined by more liquid fire moving in from other parts of the town.

G. Then, having filled the town centre, it began to move eastwards along the Thames Valley....or maybe it was following the railway line, because it moved up to Maidenhead...and Slough...right on into London itself. H. (I have no doubt that fire from other parts of England was converging on London at the same time). I. I felt overwhelmed: I knew that the Lord was speaking about what He was going to do.

J. It indicated God's heart towards this town, and also His heart for London, our capital city. K. For some reason Reading is key in God's strategy to turn London and then our whole nation back to Himself. L. Only the fire from heaven will accomplish it. What's more, it will only come about if my people ... (2 Chron. 7:14).

A. I had a picture during the last Prayer for Reading of the maps of Reading and a golden goblet was pouring out oil on the left side of the map. B. The oil coming from the goblet was flowing fast like a definite current over the map. C. Then suddenly from the right side came a tidal wave of water right over the map. E. I asked "Why water, Lord, when the oil was pouring out of the

goblet?" F. I believe the Lord said " The water is the church and when the oil floods the church something will burst within the church and out of it will flow streams of living water."

G. Reading was completely submerged in the water.

A. A rainbow comes after rain. B. I saw torrential rain coming down and causing the Kennet and Avon canal banks to burst. C. The water went absolutely everywhere, down the streets, alleyways, basements and every single crevice was filled with water. D. Nothing could escape from the overwhelming deluge of water. So it will be when the power of the Holy Spirit rains down on Reading. E. People will be so aware of God's presence, love, power with such intensity coming from Him. F. All they have to do is respond to Him and love Him in return and accept Him as their Saviour.

A. During the night of the 5th Feb I kept having the same dream over and over. B. There was a map of Reading spread out before me on the floor. c. My left hand was stretched out with the palm of my hand facing down. d. My hand was about a foot above the map and hovering over the centre of Reading...signifying blessing.

E. Then I took my right hand and held it in a cup like shape which was full to the brim with oil. F. Moving my right hand slowly over to the map of Reading, I gradually began to pour the oil right onto the centre of Reading. G. The oil spread out all over the map, covering every inch of our town. H. When the time is right God is going to anoint Reading in a very special way....

I. Once the oil had covered the map everything was quiet for a time....then suddenly the oil was on fire. J. The whole of Reading was ablaze...the fire was not consuming anything...like the burning bush in (Exodus3:2-6). K. It is the fire of God's presence. L. Let us humble ourselves, take off our shoes, bow down honour Him with the reverence He deserves.
